The principle proposal relating to this application is for a children's residential home. The set up of the home would be one child living at the home with a 24 hour support system network, via 2 staff on site at any one time. Staff will work a 48 hour shift rota based system. Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Please see above, it is our intention to open a children's residential care home for one young person with 2 supporting staff members at any one time. It will mean there will only be a maximum of 3 people at the property. We are a well established children's residential home provider who work with a number of local authorities including Knowsley, committed to providing outcomes for the children and young people in the Merseyside region.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
