Description of Proposed Works

Please describe the proposed works

The proposed works comprise the construction of a single-storey wraparound extension to the existing property, incorporating a self-contained granny annex within the side portion of the extension. The annex will feature dedicated living accommodation, including a bedroom, bathroom, and open-plan kitchen/living area, designed to support independent living while maintaining close proximity to the main house.

In addition, a first-floor extension will be constructed above part of the ground floor footprint to form a new double bedroom with an en suite bathroom. This extension will tie seamlessly into the existing structure, matching the current rooflines and finishes where applicable, to ensure architectural continuity.

Has the work already been started without consent?

- ☐ Yes
- ☒ No

Materials

Does the proposed development require any materials to be used externally?

- ☒ Yes
- ☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:

Walls

Existing materials and finishes:

The existing property is constructed using traditional facing brickwork

Proposed materials and finishes:

The proposed extension will be built using matching facing brickwork to ensure continuity in appearance and maintain the character of the existing dwelling. All mortar joints and detailing will replicate the existing finish.

Type:

Roof

Existing materials and finishes:

The existing roof is finished with grey Marley concrete roof tiles.

Proposed materials and finishes:

The proposed extension will be constructed using matching grey Marley roof tiles to ensure consistency in appearance and to blend harmoniously with the existing roof structure. Roof pitch, detailing, and ridge lines will be designed to align with the original building wherever possible.

Type:

Windows

Existing materials and finishes:

The existing windows are white uPVC frames, providing a clean, modern appearance.

Proposed materials and finishes:

The proposed extension will feature the same white uPVC windows to match the existing style, ensuring uniformity in design.

Type:

Doors

Existing materials and finishes:

The existing doors are white uPVC, complementing the style of the windows.

Proposed materials and finishes:

The proposed extension will include white uPVC doors to match the existing design, maintaining consistency in the property's exterior appearance.

Are you supplying additional information on submitted plans, drawings or a design and access statement?

☒ Yes

☐ No

If Yes, please state references for the plans, drawings and/or design and access statement

Trees and Hedges

Are there any trees or hedges on the property or on adjoining properties which are within falling distance of the proposed development?

☐ Yes

☒ No

Will any trees or hedges need to be removed or pruned in order to carry out your proposal?

- ☐ Yes
☒ No

Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicle access proposed to or from the public highway?

- ☐ Yes
☒ No

Is a new or altered pedestrian access proposed to or from the public highway?

- ☐ Yes
☒ No

Do the proposals require any diversions, extinguishment and/or creation of public rights of way?

- ☐ Yes
☒ No

Parking

Will the proposed works affect existing car parking arrangements?

- ☒ Yes
☐ No

If Yes, please describe:

As part of the proposed works, a section of the front wall will be removed to provide access to the front garden, allowing for the creation of two additional parking spaces. This modification is necessary due to the increase in the number of bedrooms within the property. A new hardstanding will be installed to accommodate the additional parking spaces, ensuring a durable and functional surface that complements the overall property design.

Biodiversity net gain

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

- ☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent
☒ The applicant
☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.

Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?

- ☒ Yes
☐ No

Is any of the land to which the application relates part of an Agricultural Holding?

- ☐ Yes
☒ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of “agricultural tenant” in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
