Hi Tyler

Could you request from your engineer a list of the highway improvements to Cherryfield Drive.

I know that a cycle path is proposed on the development side and a Taxi rank being provided on the town centre side but I don't have details of everything to include within the report. I have picked up from the tree survey that trees are proposed to be removed on the Town Centre side of Cherryfield Drive but I am unsure why, repaving ?

Clarification is required for the committee report.

Regards
