Good afternoon

I hope you are well. I am the planning officer for 26/00351/FUL, 46 Sugar Lane and am just finishing up the report. I have a few questions I would be grateful if you could address;

- Please could you submit a floor plan so that the function of the extension can be noted (i.e. additional bedroom / enlarged lounge area). We have the existing floor plans but the proposed floor plans submitted (attached to this email) do not show the internal.
- Based on the location map (image below), is this the arrangement of the plot or is there encroachment into the neighbouring properties land?

I look forward to hearing from you.

Kind regards
Kate Pickles (She/Her)
