A line drawing of a house with a gabled roof and a smaller gabled extension on the right side. The drawing is composed of black outlines on a white background. The main house has a steep gabled roof. To its right is a smaller extension with a lower, gabled roof. The entire structure sits on a horizontal ground line.

The diagram is a black and white architectural floor plan. It features a large, rectangular central hall. To the left of this hall is a smaller, rectangular area labeled "BASEMENT". This basement area contains a staircase, represented by a series of horizontal lines. To the right of the central hall is another rectangular area, which appears to be a corridor or a smaller room. The entire plan is enclosed within a double-line border, suggesting a wall or a boundary. The label "BASEMENT" is written in a simple, sans-serif font.

[illegible]

This floor plan shows a rectangular house with a central staircase. The layout includes four bedrooms, two bathrooms, two stores, and two landings. The rooms are arranged as follows:

- Bedroom 1:** Located in the top-left corner.
- Bedroom 2:** Located in the top-right corner.
- Bedroom 3:** Located in the bottom-right corner.
- Bedroom 4:** Located in the bottom-left corner.
- Bathroom:** Located between Bedroom 1 and Bedroom 4.
- Store:** One is located between Bedroom 1 and Bedroom 2, and the other is located between Bedroom 4 and the bottom-left corner.
- Landing:** Two landings are located in the center, one on each side of the central staircase.

The central staircase is located between the two landings. The house has a symmetrical layout with a central corridor connecting the rooms.
