

Proposed Extension to 174 Tarbock Road

Description

Proposal to build a single storey extension to the North gable end of the bungalow.

The proposed extension will extend the bathroom and will also provide a walk in wardrobe to each bedroom

The construction of the proposed extension is a solid concrete block walls that will then be rendered to match the existing bungalow

The roof shall be wooden construction with heavy duty felt roof, section of roof above the bathroom will contain a large skylight. The walk in wardrobes will both have windows as shown on drawing.

Once the proposed extension is build the support beams for the cable end shall be installed and the brick work removed for the 3 new openings, the large opening will be for the enlargement of the existing bathroom and 2 small door opening that will be the entry points for the new proposed walk in wardrobes
